NARRATIVE

On 07/21/2014 at about 1223 hours (all times approximate) Lake Stevens Police were radio dispatched to a blocking/non-injury collision at the intersection of Lundeen Parkway and SR 204 in the city of Lake Stevens.

Arriving on scene (1236 hours) I observed a white in color box truck (FedEx) and small dark in color SUV stopped in the southbound lane of Lundeen Parkway at SR 204 (in the right turn only lane). I contacted the drivers of both vehicles and found neither were injured and that both vehicles could be moved. The vehicles were moved off of Lundeen Parkway onto Vernon Road.

Based on evidence and statements at the scene it is found that the driver of U1 (a white box truck FedEx) was traveling southbound on Lundeen Parkway and had been traveling in the right turn only lane to access westbound SR 204 at the intersection. The driver of U2 was following behind U1. U1 stopped in the right turn lane for the red light and U2 stopped behind U1. The driver of U1 stated he realized he was in the right turn only lane and that he did not want to turn right on SR 204; he wanted to continued southbound across SR 204. The driver of U1 claimed since he wanted to be in the "through lane" he decided to back up and move over to his left to get into the "through lane". The driver of U1 claimed he did not see U2 stopped behind him when he began to backup and backed into the front of U2. The driver of U2 claimed he seen U1 backing up towards him so he honked his horn and attempted to get his vehicle into reverse to back up before getting struck by U1; but was not able to get his vehicle into reverse fast enough.

U1 backed into the front of U2 (in the right turn only lane) with the rear bumper of U1 going under the front of U2 causing damage low and under the front portion of U1.

I completed the exchange of information with the driver's and gave them both copies of the exchange of information along with my business card.
